

2022-23 Santa Rita Title I School Parental Involvement Policy

The Title I Parental Involvement section of the Every Student Succeeds Act (ESSA) requires each Title I school to jointly develop with and distribute to parents/families of participating children, a written parental involvement policy. The purpose of Title I is to provide activities and services which support students in meeting the state’s academic standards.

Representatives of our Title I school, have jointly developed or agree with this Title I School Parental Involvement Policy for improved student academic achievement and to support the ways that the school and parents/families can build and develop a partnership to help children achieve the State’s high standards and to be successful in school. Santa Rita will maximize the addition of a new position, Family Outreach Liaison, and implement the following parental involvement policy:
