Schools that have been highlighted in yellow will have FLES tests delivered from the MISD Print Shop.

All counselors that receive tests must sign security oath. All counselors need to be prepared to stay during testing unless prior arrangements have been made.

Morning sessions will start immediately after students finish breakfast at approximately 8:00.

Afternoon sessions will start directly after lunch which should ABSOLUTELY be no later than 1:10.

Please provide a quiet testing room. The library would be best, but the cafeteria is an option for large groups. Students need to provide their own pencils, and erasers.

Thursday, May 9th – Friday, May 10th: Pease Teachers at C.O. working on FLES Reports. Reports will be delivered to campuses the last week of school.

Fannin, Bush, Jones, and Bowie did not test in 2019.
