Upcoming 9th Grade Academic Planning Information

Parent(s)/Guardian(s),

We are excited to inform you that Academic Planning will be taking place from January 23rd to February 2nd. Today, you will find a list of courses offered in Midland ISD. We encourage you to engage in discussions with your child about the available courses.

Parents and students can use the planning card as a guide to selecting required electives, including Physical Education, Fine Arts, Foreign Language, and other electives. You can access this information on the parent/student Skyward portal under Career Plan.

During the next two weeks, students will have the opportunity to meet one-on-one with a school counselor. Career plans will be generated after these one-on-one meetings and sent home for your review. Instructions on making changes to course selections will be included with the Career Plan. Parent and students' signatures are required to finalize selections.

Should there be any changes to course requests, you can discuss them with a counselor during the Academic Planning window or update them on the Career Plan during Abell's Academic Planning window. After March 13th, students can use the add/drop Google form until April 26th for any further changes.

**Classes are subject to change. Placement in elective selections are based on scheduling and enrollment.*
