MEMORANDUM FOR "SILVER STAR" COMMUNITY SERVICE WITH EXCELLENCE AWARD
for AY 2017-2018

FROM: Headquarters AFJROTC
60 West Maxwell Blvd
Maxwell AFB, AL 36112-6102

SUBJECT: Announcement of Community Service with Excellence Awards for AY 2017-2018

1. I am very pleased to announce the units that have earned the "Silver Star" Community Service with Excellence Award for AY 2017-2018.
2. This prestigious award recognizes the top 5% of all AFJROTC and NDCC units based on community service in support of schools and local communities. The mission of AFJROTC is to "Develop citizens of character dedicated to serving their nation and community." The importance of service and understanding how it positively impacts our cadets, schools, communities, and our nation is a critical component of what we strive to teach through our program and is a central part of our mission in AFJROTC. The award is earned by units with the highest per cadet average of community service hours that are planned and conducted by cadets under the supervision of our instructors. This award also recognizes the personal growth and accomplishments of the cadets, contributions of the instructors as mentors, and the support of the school and local community.
3. This year, the cadets of AFJROTC conducted over 1,674,951 community service hours! This is an incredible accomplishment and all units are congratulated for their efforts in supporting their communities. Next year, the AFJROTC goal is 1.9 million community service hours. We recognize that it is not just about "hours," it is about the positive impact that these hours represent. The attached list highlights the top 45 units which met the criteria for the applicable unit award. Certainly numerous AFJROTC units are doing great things in their respective communities, but these units truly represent the best of our 900 AFJROTC and Air Force NDCC units worldwide. The cadets, instructors, and schools are to be commended for earning this distinctive award. Well done!
4. If you have any questions about the award, please contact your Regional Director. Again, congratulations and keep up the great work!

Sincerely

PAUL C. LIPS, Col, USAF
Director
