

# What if a teacher gets sick?

## A STEP-BY-STEP SCENARIO

Teacher shows COVID-19 symptoms on campus

Nurse assesses teacher and places them in designated isolation room

Teacher is sent home to isolate

Teacher has the option to get tested

**TEST IS NEGATIVE**

- ▶ Teacher notifies principal and nurse of negative test
- ▶ Teacher must stay home until they are fever free for 24 hours (without the use of medication) and symptoms have improved

**TEST IS POSITIVE**

- ▶ Teacher reports positive test via employee form
- ▶ MISD Health Services contacts those who were in close contact with the teacher (6 feet or closer for 15 minutes or more)
- ▶ Campus disinfected and sanitized
- ▶ District notifies all campus staff and parents
- ▶ Public dashboard updated

**NO TEST TAKEN**

- ▶ Teacher notifies principal and nurse if no test taken
- ▶ Teacher must stay home until they are fever free for 24 hours (without the use of medication) and symptoms have improved
