**COMPENSATION AND BENEFITS:
SALARIES, WAGES, AND STIPENDS
DEA (REGULATION)**

RECORDS

The District will maintain in the central payroll office weekly time records on all nonexempt employees. Records will indicate all hours worked, including compensatory time earned and used. Weekly time records must be verified by the supervisor and the employee and submitted to the payroll office on designated dates. All payroll records, including time records, will be maintained for a period of three years and will be made available for inspection by government authorities upon request.

OVERTIME

Nonexempt employees will receive compensation, either monetarily or in time, for all hours actually worked in excess of 40 hours per week. Prior to working overtime, employees will be informed whether the overtime is to be compensated monetarily or in time. Hours of sick leave, personal leave, or vacation time will not be considered time worked. Hours in excess of eight per day will not be considered overtime unless the total exceeds 40 hours actually worked within the particular week.

All overtime worked must be approved by the employee's supervisor in advance. Supervisors are responsible for preventing unauthorized overtime. Employees who work unauthorized overtime may be subject to disciplinary action.

Overtime will be calculated by multiplying hours worked in excess of 40 by one and one-half times the regular hourly rate of pay. If a nonexempt employee has more than one nonexempt job in the District, hours will be combined for calculating overtime; if the level of compensation differs, a blended rate calculation will be utilized to determine the combined hourly rate of the two positions.

COMPENSATORY TIME

Overtime may be reconciled as compensatory time off at the same time-and-a-half rate, and may be accrued as compensatory time to a maximum number of hours established in policy DEA (LOCAL).

SUPPLEMENTAL DUTY PAY

Nonexempt employees who are assigned supplemental duties will be paid on an hourly basis, including overtime compensation when hours exceed 40 in a workweek. The hours worked in supplemental duties will be combined with the hours worked in the regular job assignment for determining the total hours worked each week.

JOB RECLASSIFICATION

All positions shall be assigned to job grades based on the skill, effort, and responsibility required for the job assignment. The Superintendent or designee shall determine job classifications or reclassifications for positions based on an assessment of job requirements and comparability to other positions in the District. A change in placement of a job is not a promotion or demotion. A classification change signifies a modification in job duties or qualifications.

A job reclassification that is not initiated by the Superintendent or designee shall be conducted as follows:

1. An employee may request a job grade review by notifying his/her supervisor. After consideration of the employee's request, the immediate supervisor may initiate the process by requesting a job review packet, including job questionnaire and job description, from Human Resource Services.
2. The immediate supervisor will verify the information provided by the employee on the questionnaire.
3. A request for a job grade review must be submitted to the immediate supervisor no later than November 30. The supervisor will forward the request, with documentation which supports the recommendation, to the appropriate member of the Executive Staff.
4. The Executive Staff member will review the request and determine if additional documentation is necessary. The Executive Staff member will approve or reject the request.
5. If the Executive Staff member approves the request, he/she will submit the request to the salary committee, appointed by the Superintendent, no later than December 31.

6. The salary committee will review the request, with accompanying documentation, and rate the job using the TASB Job Analysis Rating Form. The appropriate supervisor may be invited to the meeting or asked to provide additional information regarding the duties and responsibilities of the job. The process will be completed no later than March 1.
