If an estimate of charges is necessary, the copies will be made available only if the requestor responds in writing within ten days to indicate that he or she modifies the request or is willing to accept the charges and still wants the copies as originally requested. Payment must be made to the officer for public records.

If the requested documents cannot be made available within ten business days after receipt of the request, the Superintendent or designee will notify the requestor of that fact in writing and set a date and hour within a reasonable time when the information will be available.
