The student must have an 80 average in each G/T Pre-AP or Pre-AP course at the end of the first semester to automatically continue in that course for the second semester. If the student does not have an 80 first semester average, the campus principal may consider extenuating circumstances and allow the student to continue in the course for the second semester on a probationary status. Otherwise, the student will be exited and enrolled in the core content area course.

The student should seek assistance immediately to improve the course grade and to retain enrollment during the spring semester. Please sign and return this form to your counselor no later than November 15, 2017.
