Secondary G /T Content Area Exit Form

The student named below is exiting a MISD G/T content area service to a core course in the content area (not a non-G/T PreAP/AP/H course). Students exiting the program

- May not reapply for G/T services in the content area/s until the subsequent nomination period as defined in District regulations: The G/T subsequent general nomination period is defined as the first nomination period after being exited for one full semester. Currently the G/T general nomination period is the first month of the second semester for in-district students. For example, an exit in October of 2015 allows application in January, 2017.
- Will not receive G/T Scholar Graduation Recognition in the exited content area if the exit is from a high school credit course.
- May not enroll in an AP/PreAP course in the same content area/s during the same school year. For example, an exit for a 2015-16 course does not allow enrollment in the same content area/s in AP/PreAP until the subsequent 2016-17 school year i.e. an exit from Algebra I G-PreAP beginning in April, 2016, does not allow enrollment in Algebra 1 PreAP in April, 2016.
- May enroll in an AP/PreAP course in the same content area during educational planning for the subsequent school year. The exit should be DATED "[Actual date] to begin as of [the subsequent school year]." For example, in educational planning in the spring of 2016, a student wishes to take regular economics in lieu of AP Macro/Micro Economics GP in 2016-17 but also wishes to take AP US Government. The student, therefore, exits GT social studies which includes AP US Government GP (dated February xx, 2016 to begin as of 2016-17); the student may enroll in AP US Government P.
