

Raptor Volunteer Application Tips and Guidelines

Thank you for volunteering with Midland ISD schools. We require a background check to be completed and approved every 12 months before volunteering on our campuses or facilities. The following tips and guidelines will help make your application process easier.

1. Please use your legal name as it appears on your government issued identification. If it is entered incorrectly an alert will show when the campus scans your license. The campus secretary can correct the inconsistency to match your license.
2. List one individual who we can contact in case of emergency while you are on the campus.
3. If you do not have a Social Security number please contact the Volunteer Coordinator at (432)240-1371 for assistance.
4. List each campus that you will be volunteering at. The campuses can be edited if needed by contacting the Volunteer Coordinator.
5. Remember to check the box stating that you have read the MISD Volunteer Handbook.
6. Refer to the Raptor Volunteer Portal Help Sheet to create your personal Raptor Portal after your application has been approved.
