Employee Wallet Card

Do you need to prove your employment and/or income? When you apply for an apartment, loan, credit card, government assistance, etc... in many cases you'll need to provide proof of your employment and/or income. We now use Verifent to provide verifiers (banks, mortgage companies, apartment complexes, government agencies, etc...) with employment and income verifications.

Cut out the card below, fold it over, tape it, and keep it in your wallet for easy access and reference when asked by a verifier to provide proof of your information.
