

MARATHON KIDS

Midland ISD partners with Marathon Kids to get kids active!

Since 2018, Midland ISD schools have participated in the Marathon Kids program.

This school year 25 campuses launch another season with the option to utilize the program during Physical Education class and/or a before or after-school running club.

Marathon Kids is a non-profit on a mission to get kids active. They believe kids need active time during the school day and positive role models to help develop healthy habits and find joy in movement.

Together, with great PE teachers and fun, the program helps develop awareness that physical activity is an essential part of our overall well-being. To learn more about Marathon Kids visit www.marathonkids.org

Currently, the district has 22 active schools and 11,795 participating students who've already conquered 155,672 miles! Check out the top 20 schools!
