THE FOREGOING IS TRUE AND CORRECT TO THE BEST OF OUR KNOWLEDGE AND BELIEF:

Signature of Student _____ Signature of Parents/Guardian _____

**MINNIE STEVENS PIPER FOUNDATION
FIFTY SEVENTH ANNUAL
PIPER SCHOLAR AWARDS PROGRAM**

PURPOSE

Purpose of the program is to provide four year scholarships for academically superior high school seniors residing in certain geographic areas of Texas, and who will need financial aid to attend the accredited college or university of their choice in the State of Texas. This is NOT a full scholarship.

POLICY

Students nominated must be U.S. citizens and residents of the State of Texas as defined by college/university Registrar.

The Scholarship, while not a full scholarship, will be based on financial need. Stipend awarded will be committed for student use and will be deposited to student account with the Student Financial Aid Officer at the particular college/university if student is selected and named a Piper Scholar.

GENERAL INFORMATION

Nominations for scholarship are made by Counselor's Office. Nominations must be received by deadline date and must include required materials as outlined in invitation brochure sent to Counselor.

From the total number of students nominated, one hundred will be selected to take the College Board SAT test on December 1, 2018, at Foundation expense. If student elects to take the SAT at any other testing date, i.e., because of Tests, Band, etc., nominee will bear the cost of the SAT, but we shall accept the scores.

Based on College Board SAT scores and review of nominees' dossiers, fifty will be selected as Semi-Finalists and sent scholarship applications.

After reviewing the above fifty semi-finalists' applications, twenty-five Finalists will be selected during the month of March as Finalists and further review will continue.

Committee evaluations and review of materials submitted by both the student and parent will continue during the month of April, when final selections of between twenty and twenty-five Piper Scholars will be awarded scholarships to aid in attending an accredited college or university in the State of Texas.

All counselors or nominees will be advised of their status in the Piper Scholar Program after each of the above eliminations.

Recipients of scholarship awards must maintain a "B" average in college or be dropped from the program.

N.B. -- Whether nominee be eventually selected for further participation after any of the above eliminations or not, strong recommendation is made that Application for Admissions and for Financial Aid be made to first choice college/university in September or no later than December 1, 2018.

COUNSELOR'S CHECK LIST: Items listed below **MUST** be enclosed for nomination to be complete.
