Can I be denied coverage?	<p>If you and your eligible dependents enroll before the enrollment deadline, you may apply for any amount of coverage up to \$200,000 for yourself and any amount of coverage up to \$50,000 for your spouse, without answering any medical questions.</p> <p>If you want coverage over the amount you are guaranteed, you will need to provide answers to health questions. In addition, if you and your eligible dependents do not enroll during this enrollment period, you will have to wait for a future annual enrollment period to apply — and then you will need to answer health questions for the entire amount of coverage you apply for.</p> <p><b>New Hires:</b> To apply for coverage, complete your enrollment within 31 days of your eligibility period. If you apply for coverage after 31 days, or if you choose coverage over the amount you are guaranteed, you will need to complete a medical questionnaire which you can get from your plan administrator. You may also be required to take certain medical tests at Unum's expense.</p>
Why buy now?	As long as you buy \$10,000 of life coverage during your initial eligibility, you can buy more coverage later - up to \$200,000 - without answering any medical questions.
How do I apply?	<p>To apply for coverage, enroll before by 1/1/19.</p> <p>If you were hired after 1/1/19, complete your enrollment form within 31 days of your eligibility date determined by your employer.</p> <p>If you apply for coverage after your effective date or if you choose coverage over the guaranteed issue amount, you will need to complete a medical questionnaire, which you can get from your plan administrator. You may also be required to take certain medical tests at Unum's expense.</p>

When is coverage effective?

Your coverage is effective 1/1/19 or the date your application is approved by underwriting, if health questions were required.

Insurance coverage will be delayed if you are not in active employment because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective.

For your dependent spouse and children, insurance coverage will be delayed if that dependent is totally disabled on the date that insurance would otherwise be effective. Totally disabled means that as a result of an injury, sickness, or disorder, your dependent spouse and children: are confined in a hospital or similar institution; or are confined at home under the care of a physician for a sickness or injury. Exception: Infants are insured from live birth.

Do my life insurance benefits decrease with age?

Coverage amounts will reduce according to the following schedule:

Age:	Insurance amount reduces to:
65	65% of original amount
70	50% of original amount

Coverage may not be increased after a reduction.

Is the coverage portable (can I keep it if I leave my employer)?

If you retire, reduce your hours or leave your employer, you can continue coverage for yourself your spouse and your dependent children at the group rate. Portability is not available for people who have a medical condition that could shorten their life expectancy — but they may be able to convert their term life policy to an individual life insurance policy.
