District Educational Improvement Committee
Meeting Minutes
December 9, 2021

The District Educational Improvement Committee meeting was held on December 9, 2021. The meeting was held in room 101 of the District Service Center from 4:30-6:00pm.

Dr. Kregg Cuellar called the meeting to order and welcomed the DEIC members.

The group reviewed the calendars that had been developed by the seven groups of DEIC members at the meeting held on 11.17.21. Each group had an opportunity to explain their methodology and details of their draft calendar to all members of the DEIC. The DEIC members were given time to ask questions and provide feedback regarding each of the draft calendars. The group also received a document highlighting the commonalities and differences between the seven drafts. Each DEIC member was asked to vote for the calendar they preferred. The DEIC as a collective group then reviewed the three drafts that received the most votes. Two of the drafts were very similar so the DEIC decided to combine these two drafts into one revised calendar (proposed calendar #1). The DEIC then worked together to revise the calendar that received the next most number of votes to develop the proposed calendar #2.

Dr. Cuellar explained to the DEIC that after vetting with other departments to ensure compliance of the two recommended calendars, the calendars will be posted on the MISD website for 30 days to collect feedback from all stakeholders. Members of the DEIC volunteered to present the proposed drafts to the MISD Board of Trustees at the meeting scheduled for January 18, 2022.

The meeting was adjourned at 6:00pm.
